

End-of-Life /End-of-Service-Life Announcement ARI-400 Series

This notice serves as formal notification that RAID Incorporated ("RAID Inc.") is initiating the End-of-Life ("EOL") process for its ARI-400 Series.

The objective of providing this notice is to allow for appropriate planning and the opportunity for last time purchases as well as to suggest alternative products. Please pass this notice to the relevant individuals within your organization.

RAID Inc. is sensitive to extending the life of all its products for as long as possible so that customers can expect the most from their investment. However, in order to keep ahead of evolving technology, formal production of the ARI-400 Series product lines and associated parts will end on September 9, 2022.
